General information

name of the dataset:
  full name of the dataset: Faunaltalia - Checklist of the species of the Italian fauna
  dataset short name: Faunaltalia

type of dataset (more information):
  specify: species/taxa database (e.g. red list database)
  data type: descriptive data
  short description of the dataset/summary:

science keywords according to GCMD:
  topic: Biosphere, Biological Classification
  keywords: Country taxalist, Italy

ISO topic category according to ISO 19115:
  Biota
Technical and administrative specifications

data format: Access
others/details: Downloadable as MS Access db; implemented on-line as MySQL

operating system: Win XP
others/details: Any OS via ODBC

data language: English

current access level: web (public)
web address (URL): http://www.faunaitalia.it/checklist/
others/details: It is part of PESI project, i.e. connected with Fauna Europaea

update level: completed, update planned

documentation:
type: scientific paper
language: English

Do you plan to publish the data on the Freshwater Biodiversity data portal:
media for data delivery: online internet (HTTP)
web address: http://www.faunaitalia.it/documents/Checklist_Fauna_Italiana.zip

contact details:

metadata contact person: Fabio Stoch
first, last name:
email: fstoch@faunaitalia.it
institution: Comitato Scientifico per la Fauna d'Italia
address: Università di Roma
postal code, city: IT-00185 ROMA
country: ITALY
web address: http://comitato.faunaitalia.it

technical contact person: Fabio Stoch
first, last name:
email: fstoch@faunaitalia.it

scientific contact person: Augusto Vigna Taglianti
first, last name:
phone: +39-06-49914742
email: augustovignataglianti@uniroma1.it

comments: The database website is the Italian Focal Point of Fauna Europaea; the dataportal will be implemented within May, 2011 as part of the FP7 project PESI

[This entry is currently filled by the BioFresh team by visiting the site and needs to be validated by one of the data holders.]
Intellectual property rights and citation

(if the database is already published):
dataset creator (data compiler):
    contact email: fstoch@faunaitalia.it
data contributors to/owners of this dataset:
    single
criteria for using the data in a publication/scientific analysis:
The dataset is publicly available (data portal, data archive) and can be used without restrictions, but must be acknowledged and cited correctly.
citation of this dataset:
    author(s): Stoch F. (ed.)
    title: Checklist of the species of the Italian fauna. On-line version 2.0
    year: 2004
    version (if applicable): 2.0
citation of the metadata:
comments: Funded by the Italian Ministry for Environment
General data specifications

regional coverage of the dataset:
  scale of the dataset: national
  continents: Europe
  countries: Europe: Italy
Site specifications

coordinate system/grid data:
Biological data

biological data origin:

organism group addressed: mammals, water birds, reptiles, amphibians, terrestrial invertebrates, fish, macro-invertebrates, zooplankton
Species related information

**mammals:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**water birds:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**reptiles:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**amphibians:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**terrestrial invertebrates:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**fish:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**macro-invertebrates:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:

**zooplankton:**
taxonomic resolution: *species*
taxonomic coding:
availability of specific ecological/biological information:
Other specifications
